OAGC PRESENTS 2008 SCHOLARSHIP RECIPIENTS

The 2008 OAGC Scholarship Project was a huge success with thirty-four students from all over Ohio applying. More than five colleges and universities were represented, and we garnered applications from several non-traditional students (older applicants returning to school). The executive committee was so impressed with the quality of the applicants that they voted to increase the number of scholarships provided to five. The 2008 \$1000 scholarship winners are: Dustin Hall, Sidney, Ohio; Jenny Barnett, Ashland, Ohio; Steven R. Haba, Broadview Heights, Ohio (2007 Winner); Loretta J. Davis, Conneaut, Ohio; Brian Evans, Cincinnati, Ohio.

This is truly a worthwhile endeavor, and one each member can endorse with pride. So, remember the Scholarship Fund when you make a donation to the OAGC Foundation.

Dustin Hall

Dustin Hall is a graduating senior from Houston High School, Sidney OH, where he had perfect attendance, a 4.0 grade average, an Eagle Scout plus attended summer classes at Edison Community College. He plans to attend OU/ Athens for a degree in Wildlife and Conservation.

Jenny Barnett, a non traditional applicant, from Ashland, already attended college and is a certified pre-kindergarten teacher. She will be entering her second year at ATI where she has a 3.89 grade average. She is studying Greenhouse Management and wants to be a propagation specialist.

Jenny Barnett

Steven R. Haba, a 2007 OAGC winner from Broadview Hts. has moved from ATI to OSU main campus. He has a 3.7 grade average and pursues two majors - Crop Science and Zoology. 2008 will be his second study tour to Ghana.

Steven R. Haba

Brian Evans, a non traditional applicant from Cincinnati, has been employed for 8 years but left that full time employment April 1 to begin his second year at Cincinnati State Community College. He has been working working full time plus the part-time landscaping business and night school where he has a 3.8 grade average.

Loretta Davis

Loretta Davis, a vocational school graduating senior, being raised by her grandparents, has been accepted at ATI to study horticulture, because she has shown talent with plants.

Brian Evans
