

## ITEMS RECOMMENDED TO BRING TO CAMP

Clothing for 1 week, include warm jacket hat & gloves (no good clothes)

The weather is unpredictable and most activities are outdoors rain or shine so bring raincoat, umbrella,

Boots (hiking boots) walking stick, extra shoes & socks, clothing for warm weather too (swim suit).

Sleep wear, slippers, sleeping bag or sheets & blankets, pillow.

Towels, washcloths & toiletries – hangers for the wet towel/cloth.

**\*\* Medications you normally take & some pain pills for the aches—insect repellent\*\***

Other extra items: heating pad, fanny pack &/or back pack.

Flashlight batteries, power cords for camera & electronic devices.

Notebook & pencils for field notes – field guides if possible to share.

Binoculars & Magnifying glass (take a closer look at our finds)

Snacks to share each evening (refrigerators are available)

Fishing pole & accessories if you plan to fish

Bicycle if you plan that activity (most camps are pretty hilly)

**You May Want these extra items:**

Electric fan – Small TV table –

Whistle (if you plan to hike alone please let director know where you will hike).

**Items of General Interest to bring & share:**

Monday evening is our plant auction – please bring:

**Plants, plant materials, bulbs, from your garden with I.D., garden art &/or books.**

Posters, science items of interest, pictures from past camps,

baggies/containers to collect specimens for display

games/puzzles and magazines to share

**Bring your SMILE and HAVE FUN**
